## Homework Club (Monday-Thursday, 3:30-4:30)

Approximately 25 students stay after school in the Library to complete their homework. Volunteers assist students with assignments, encourage them to stay on task, and supervise the group as a whole to keep the environment quiet and productive for all students.

Volunteers should be comfortable actively asking students what they need and gently pushing them to complete assignments. Math assistance is especially helpful. You don't need to know all the answers – just be willing to help!
