Do you love the energy of middle school kids?
Then Lunch Time Hall Supervision is for you!

- Walking back and forth through the lobby and outside the front part of the school, observing and listening
- Talking to students as you feel comfortable
- Reporting to school staff anything thing you see or hear that seems inappropriate
- Continuing to move from place to place, especially to places where you see larger groups of kids congregating
- NOT talking to other adults for long periods of time
- Reminding students to pick up after themselves
- Recycling trash and compost
